Jocularly

- My 60-year kindergarten reunion is coming up soon and I'm worried about the 175 pounds I've gained since then.
- The pharmacist asked me my birth date again today. I'm pretty sure she's going to get me something.
- The location of your mailbox shows you how far away from your house you can be in a robe before you start looking like a mental patient.
- I think it's pretty cool how Chinese people made a language entirely out of tattoos.

- The reason Mayberry was so peaceful and quiet was that nobody was married. Andy, Aunt Bea, Barney, Floyd, Howard, Goober, Gomer, Sam, Earnest T Bass, Helen, Thelma Lou, Clara, and, of course, Opie were all single. The only married person was Otis, and he stayed drunk.
- I wish my siblings would stop calling me spoiled just because I'm the youngest. The truth is my parents just kept having children until they found one they liked. It's really not my fault.
- Behind every angry woman stands a man who has absolutely no idea what he did wrong.
- I never called you stupid, but when I asked you to spell "orange" and you asked me the fruit or color, it kinda caught me off guard.
- My neighbors complained about me groaning too loud having sex in the morning. If they only knew I'm just trying to put my socks on.

Pre-meeting Classes

The next class, in March 2024, will be a class by Sue Eckmann on carving a small figure. The class will start at 4:00 PM.
