President’s Statement

Greetings woodcarvers! Since this is my last time writing presidents notes I’d like to take this time and thank all of the officers and board members who served with me during my term. I truly appreciate all the hard work and commitment to our club by each and everyone! Our club is special because so many are willing to put in the work to keep our organization going strong for so many years! I especially want to thank John Heather for all of his dedication and tremendous work these past two years as vice president! I know our club is in great hands with his leadership! It’s been an honor to serve as president and I look forward to continuing to support the art of woodcarving and our club!

Doug

Raffle Project

Both raffle projects are done and ready to be given away. We have had a lot of very positive comments at the festivals and expect that the raffle will be very successful this year. Thank you to everyone that contributed ornaments and sold tickets.

Library Committee

The library is a great resource. Check it out. Members who have checked out materials from the library are asked to return items after a 2-month period. Items can be renewed.

Jocularly

- I never thought I'd be the kind of person who'd wake up early in the morning to exercise. I was right.
- Who is this "Moderation" we're supposed to be drinking with?
- I've come to the conclusion that I have a memory like an Etch-A-Sketch. I shake my head and forget everything.
- My new SUV has a button that says "Rear Wiper". I'm afraid to push it.
- Is it really necessary for the first square of toilet paper to be glued down?
- I got a senior's GPS. Not only does it tell me how to get to my destination, but it tells me why I wanted to go there.
- I don't understand why people have to get ready for bed. I'm always ready for bed.
- So, a burglar broke into my house. I put the red dot on his chest and the cat did the rest.

- I swear the “me” that orders the groceries and the “me” that actually cooks the meals are two entirely different people.
