## President's Statement

Greetings woodcarvers! We are officially into fall now! That means festivals and our annual woodcarving show! We can use help with both! The festivals help us promote our club and sell raffle tickets for our club project! If you can help out, we sure will appreciate it! Our adult classes will be starting up later this month and they are an important recruiting opportunity for the club as well! It's our busy time of year! See you at the meeting!

Doug

### **Jocularly**

- I don't need a personal trainer so much as I need someone to follow me around and slap unhealthy foods out of my hand.
- Brains are awesome! I wish everybody had one.
- You know you're getting old when you can't walk past a bathroom without thinking "I might as well pee while I'm here."
- Mr. Rogers did not adequately prepare me for the people in my neighborhood.
- I often wonder who Pete is and why we do things for his sake...
- I didn't say it was your fault. I said I was blaming you.
- Save the earth. It's the only planet with chocolate.
- Life and beer are very similar. Chill for best results.
- You know you're starting to get up there in years when you have to use a shopping cart at the pharmacy.
