## President's Statement

Greetings woodcarvers! September is here! Hard to believe! Where did summer go? This month starts our festival season! This is how our club promotes itself every year and is an important part of our yearly fundraising! I hope as many of you who can will help us out with participating this year! The show is looking better but still needs some more exhibitors! And don't forget about our fall picnic at Bennett Springs on September 9th! Hope to see you all there!

Doug

## Picture Directory

We need to finish this project. About half the club still needs to provide a picture. So, please send John Heather a copy of a recent picture of you and your spouse (if applicable). If you have it digitally, please email it to [jahgonefishin@gmail.com](mailto:jahgonefishin@gmail.com). If you only have a hard copy picture, please mail a copy to John at 18136 Millstone Cove Rd., Unit 116, Gravois Mills, Mo. 65037 or bring it to the next meeting or the picnic.

If you don't have a picture you want to use, Pam Karl or John Heather would be happy to meet with you to take one. Give Pam (573 692 4274) or John (913 558 2023) a call and we will arrange a time and place.

### **Raffle Project**

Project Committee: (Karen, Pam Karl, Loren, John, Doug) The 2023 project is a Nativity Scene. Blanks are available. As this is a stylized project, we do not want the finished carving to be painted. Each carving should be sanded and ready to finish. John Heather and Loren Woodard will apply a clear finish to all the carvings to create a consistent appearance. Please get your finished carvings turned in.

### **Library Committee**

Pam Kasiske and Doug Bibles have updated the library. The library is a great resource. Check it out. Members who have checked out materials from the library are asked to return items after a 2-month period. Items can be renewed.

### **Jocularities**

- If you get lost in the woods, start talking about politics and someone will show up to argue with you.
- I really don't mind getting older, but my body is taking it badly.
- Unfortunately, there is no lifeguard in the gene pool.
- Getting older is just one body part after another saying "Ha Ha. You think that's bad? Watch this."
- Sometimes, my greatest accomplishment is just keeping my mouth shut.
- Those who confuse burro and burrow don't know their ass from a hole in the ground.
- At the store, there was a big X by the register for me to stand on... I've seen too many Road Runner cartoons to fall for that one.
- I drink coffee for your protection.
- Sometimes I panic and think there's a crazy person in my house. Then I realize, it's just me.

### **Pre-meeting Classes**

The next class will be on tool sharpening. The class will start at 4:00 PM.
