### **Raffle Project**

Project Committee: (Karen, Pam Karl, Lew, John, Doug) The 2023 project is a Nativity Scene. Blanks are available. As this is a stylized project, we do not want the finished carving to be painted. Each carving should be sanded and ready to finish. John Heather and Loren Woodard will apply a clear finish to all the carvings to create a consistent appearance.

### Library Committee

Pam Kasiske and Doug Bibles have updated the library. The library is a great resource. Check it out. Members who have checked out materials from the library are asked to return items after a 2-month period. Items can be renewed.

### Jocularity

- "The years between 50 and 70 are the hardest. You are always being asked to do things, and yet you are not decrepit enough to turn them down." T.S. Elliot
- "At age 20, we worry about what others think of us... at age 40, we don't care what they think of us... at age 60, we discover they haven't been thinking of us at all." Ann Landers
- "It's paradoxical that the idea of living a long life appeals to everyone, but the idea of getting old doesn't appeal to anyone." Andy Rooney
- "The older I get, the better I used to be." Lee Trevino
- "I was thinking about how people seem to read the Bible a lot more as they get older, and then it dawned on me—they're cramming for their final exam." George Carlin
- "Everything slows down with age, except the time it takes cake and ice cream to reach your hips." John Wagner
- "Grandchildren don't make a man feel old, it's the knowledge that he's married to a grandmother that does." J. Norman Collie
- "When your friends begin to flatter you on how young you look, it's a sure sign you're getting old." Mark Twain
- "You know you are getting old when everything either dries up or leaks." Joel Plaskett
