The project committee thanks you for completing them with the delayed schedule this year! Great job by everyone! See you at the meeting!

Doug

Membership renewal is finished. The roster is updated and attached to this newsletter. Please review your information and let John Heather know if there are any changes needed. Also, if you know of someone who thinks they are still a member but isn't included in the roster, let John Heather know so he can follow up with them.

The Dogwood Festival and Montauk State Park events went well.

Ozark Empire Fair: The Club will continue doing the three Fair Sponsorships at \$25 each. The honorees are Beginners-Bob Sidwell, Intermediate-Wally Norman, Advanced- Pam Kasiske. A group from the club will be going down to help with check-in and will be able to take any carvings that club members want to enter in the competition. The deadline to enter is June 25<sup>th</sup>. Everyone is encouraged to enter their carvings. It is especially helpful for beginners as they get feedback from the judges on where they can improve. We will demonstrate on August 3<sup>rd</sup>, but any member can go down on the other days the fair is open and carve.

Mentorship Program: There has not been any response from the schools or the home-schooled people. It was decided to change requirements from a 2-year program to nine-month program corresponding to the school year. John Heather will send the information out to the club members. If you know of a candidate, provide them the information. Doug and John will take the revised program information to the schools in the hopes we can get a candidate for the next school year.

Picnics: The next picnic is September 7th at Bennett Springs.

Monthly Dinner: The next dinner will be Wednesday, May 29<sup>th</sup> at Lil Rizzo's, at 6pm.

New Business: The June Meeting is the Club Auction. The Gourd Festival will be in Lebanon on June 28-30. The Club will be demonstrating at the festival.

### Jocularity

- How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage?
- Why is it that people say they "slept like a baby" when babies wake up like every two hours?
- If a deaf person has to go to court, is it still called a hearing?
- Why are you IN a movie, but you're ON TV?
- Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?
- Why do doctors leave the room while you change? They're going to see you naked anyway.
- Why is "bra" singular and "panties" plural?
- Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?
- Can a hearse carrying a corpse drive in the HOV lane?

### Pre-meeting Classes

There won't be a pre-meeting class in June due to the auction.
